Re: Petition of the Office of Regulatory Staff
to Revoke Certificates of Public Convenience
and Necessity of Certain Motor Carriers for
Non-Payment of Decal Fees.

To Whom This May Concern,

This letter is in response to the petition to revoke certifications for my transportation company due to non-payment of decal fee. I am aware of my failure to pay the renewal of my decals for the past billing cycle. Hence, I am writing to request to cancel my authority for the reason that I will not be operating my business any longer. I understand that if I decide to operate again, I will have to reapply for all required certificates.

Please consider this as my response to the petition.

Best Regards,

Margarito Becerra Hernandez
